PERSONAL SUMMARY

Aspiring Junior Web Developer. Goal-oriented, task-driven, and self-motivated professional. Extremely punctual and deadline oriented. Willing to develop new skills and fill additional roles as defined by the needs of my employer. Hard working. Ready to start immediately.

SKILLS

- HTML
- CSS
- JavaScript
- MySQL
- Proficient with Adobe Creative Suites
- Version control – Git
- Solid understanding of computer hardware

STRENGTHS

- Critical Thinker - Excel in problem solving and creative solutions
 - Organized – Rework processes to improve efficiency and have instituted innovative quality control checks in the past
 - Competent - Promoted to run Color Department at ARC Document Solutions
 - Punctual - In six years, was only late to work twice (*only by five minutes, because of train*)
 - Self-motivated - Kept track of all open jobs and prioritized the level of importance to get them done on time
 - Dependable - Always met deadlines, usually early
 - Good Communicator - Corresponded with clients to ascertain relevant information pertinent to each task
-
